

Megan Richter

Assistant Accountant

Megan Richter joined Westervelt Ecological Services in July 2019 as an Assistant Accountant where she is responsible for supporting the Accountant in her endeavors to support the Vice President of Finance and Administration. This includes organizing and updating reports, assisting with business planning, and completing tasks related to financial management.

Ms. Richter received her Master of Professional Accountancy from the University of California Davis. Prior to working at WES, she spent time as an Administrative Coordinator at Sprouts and a year at a public accounting firm performing both audit and tax-related tasks. In her spare time, Ms. Richter enjoys ultimate Frisbee, soccer, rock climbing, and reading.
