

Greg DeYoung

Vice-President Emeritus

Greg DeYoung is a co-founder of Westervelt Ecological Services. Mr. DeYoung has four decades of experience in planning, environmental review, wetland mitigation, and endangered species conservation. His background includes the permitting of mitigation and conservation banks and large-scale mitigation projects in the West, the Rocky Mountains, and the Southeast. He is Vice President Emeritus, Westervelt Ecological Services, and serves on the Board of the Ecological Restoration Business Association (ERBA).

He has also served as Director for three non-profit organizations: the Nevada County Land Trust, the Wildlife Heritage Foundation, and the Whitney Oaks Wetland Conservancy.

Mr. DeYoung holds a Bachelor's degree in Environmental Biology from the University of California, Santa Barbara and a Master's degree in Urban Planning from the California State Polytechnic University, Pomona. He is a member of the American Institute of Certified Planners (AICP).
